Malawi Appeal

Thank you for your generous response to the appeal from the young people who are going to work in Malawi in the summer. The total collected was almost £3,000 which greatly surpasses what was expected and will now allow an additional project of installing an electricity supply in the classroom block. Thank you once again, both for your financial support and the moral support this gives to our young people.

Second Collection – Day for Life

The next scheduled second collection is the 'Day for Life' Collection on Sunday 31st May. This collection goes towards the Linacre Centre for Health Care Ethics which works strenuously to promote gospel

values in all areas of healthcare. The money is also split between a number of pro-life charities. If you are interested in these issues, please take a look at the Linacre Centre website: www.linacre.org
